

Gary's Reading List

Selected List of Readings from Reliable Sources

The books in this list can be used as a reference point by which to judge other sources. (See Bill Guggenheim's reading list for a more expansive selection.)

- Raymond Moody, *Life After Life*
- Tijn Touber, "Life Goes On," *Ode* magazine, issue 29, Nov. 2005. This article is based on an interview with Pim van Lommel and his study of near-death experiences: "Near-death experience in survivors of cardiac arrest: a prospective study in the Netherlands" published in *The Lancet*, Dec. 15, 2001.
